PETITION TO CORRECT THE SPELLING OF  
AN INVENTOR'S NAME

Dear Sir:

In accordance with 37 C.F.R. § 1.312 and MPEP 714.16(F) allowing correction of the spelling of an inventor's name after allowance, Applicants respectfully request correction be made to the spelling of the first-name inventor, as follows:

**Current**

Paul A. Underbink

**Correct**

Paul A. Underbrink

The correct inventor name is reflected on the Declaration and Power of Attorney filed with the initial application on March 29, 2001.

This amendment is necessary for the issued patent to correctly reflect the inventorship of this patent. This change in spelling merely embodies the correction of formal matters without changing the scope of the claims. Therefore, allowing this change would not require an additional search or examination of the application; and the claims should be allowable as currently written.

The incorrect spelling of the inventor's name was not noted prior to receiving the Notice of Allowance and Fee(s) Due from the Patent Office; therefore no Request for Correction of Filing Receipt was submitted earlier in the prosecution of this application.

Because the error was clearly a typographical error, minor in nature, does not involve changing inventorship, or constitute new matter, and which error went unnoticed by Applicants, Applicants respectfully request that the Office enter this Petition to Correct the Spelling of an Inventor's Name under 37 C.F.R. 1.312.

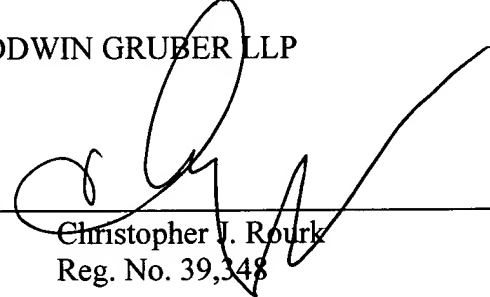

Applicants believe that no fee is due for the requested Petition for Correction of Spelling of an Inventor's Name. However, the Commissioner is hereby authorized to charge any applicable fee to Deposit Account No. 50-0530.

Dated: October 14, 2005

Respectfully submitted,
